

DIRECTIONS FROM DOUGLAS TO TENT CAMP

From the stoplight at the West Exit into Douglas (Yellowstone HWY) go south on S. Riverbend Dr. for about .4 mi. to Esterbrook Rd. (HWY 94). Go right onto Esterbrook Rd. (HWY 94) back under the interstate and head south for about .9 mi. to Chalk Buttes Rd. (HWY 94). Go right onto Chalk Buttes Rd. and head west for about 3.8 mi. until you get to the stop sign at Cold Springs Rd. (HWY 91). Go left onto Cold Springs Rd. (HWY 91), you will stay on this road past the Y going to Labonte Campground (stay right) and continue on this road for about 49 mi. until you will need to look for a road (Holiday Rd.) going left.

There isn't a clear sign on this road where you need to turn but it's the first major gravel road that intersects the Cold Springs Rd./Little Medicine Rd. on your left and you can only turn left. There is a small vertical sign about 100 yds. on your right once you're on it that says Holiday Rd. (619). After you turn left onto the Holiday Rd continue for about 9 mi. until you hit the Marshall Rd. Go left on the Marshall Rd. for about 8 mi and look for the 2 track road to camp on your left.

Look for the High Valley Ranch sign at a cattleguard. From this sign the road to camp is about ½ mi. on your left and about 100 yds. from the next cattleguard. Follow this road through the gate with the Warbonnett Ranch sign up to the tent camp and Hanna Cabin.
