

DIRECTIONS TO REID CREEK LODGE FROM DOUGLAS

Take the West Exit into Douglas (Exit 140) and go right (south) towards Esterbrook Rd.

Take Esterbrook Rd. (Hwy 94) south (under the interstate) and continue south approximately 16 miles, just past mile marker 16 to Braee Rd.

Turn right on Braee (just past the school) and go 8.5 miles to our private road. On your right, just before the big curve, you'll see a white Private Drive sign that heads in towards the lodge.

Take your second right (just past the pivot) on this road (about 1/2mi.) and continue past our barn to the lodge (If you start going up the big hill you have gone past your road and you will see the lodge below you to the north).

The phone number to the lodge is 307-358-7005 and the number to the guides shack is 307-358-7015.
